

Assessment Instructions

BCC Profit Growth

Follow these instructions *Carefully*

Be sure to take the assessment when you are at your best!

Before you begin the assessment, you will need to be **connected to the Internet** on a desktop or laptop computer.

Do not attempt via a mobile device (i.e., phone or tablet).

Please allow **45 minutes** to complete the assessment. The assessment cannot be stopped and re-started; it must be done in one sitting.

Complete the assessment at a steady pace and **avoid interruptions!**

Go with your "gut instinct," try not to over-analyze or outwit the assessment.

These questions are to be answered from your perspective of yourself – not what others think of you.
